## **Frequencies and sail numbers**

Since the advent of the 2.4 GHz radios, I hope that it won't be necessary for anyone to have to change frequency during the course of the event. Your frequency will be shown on the blog site in the final week before the Championship or by email as soon after the final entry date as possible and any sail number clash will be advised separately prior to the event.

## **Registration and Check Measurement**

Please ensure that you bring your registration certificate and your personal sail number certificate as these will be required at registration in accordance with the MYA SSI's. Your MYA membership status will be checked on the MYA database prior to the event. If you are an overseas visitor please ensure you are affiliated to a recognised club. Please note that boats will be scrutinized on arrival in the clubhouse. This must be done BEFORE you take to the water so please make sure you arrive safe in the knowledge that you have checked your boat complies with the Class Rules and in good time to allow this process to run smoothly. Registration and scrutiny will take place in the clubroom of MPSC clubhouse. Please report here on Friday afternoon or early Saturday morning.

## **Observer duties**

All skippers are expected to take a fair share of observing. An Observer Marshall will ensure that this duty is evenly spread amongst the skippers. Protests, which, hopefully, will be small in number, will be dealt with by the appointment of a protest committee which will be formed in accordance with the MYA SSI's.

## **Social and Catering**

Catering will be covered by the Manor Park Sailing Club in the clubhouse who will ensure that everyone is well fed and watered throughout the event. Food, Teas and Coffee will be available on Saturday, Sunday and Monday, and Tea and Coffee only on Friday afternoon. All the catering at MPSC during the weekend will be provided by the club's members who have kindly agreed to assist – all of whom are volunteers.

In respect of the **Summer of Spain evening on Saturday 28<sup>th</sup> August** could I ask that you let me know if you will be attending by completing the following order form and returning it to Paul Stubbs ([pajsh@sky.com](mailto:pajsh@sky.com)) before **21<sup>st</sup> August 2010**.

**Sunday evening, 29<sup>th</sup> August** will be an informal event with the club providing BBQ facilities for those who wish to use. Burgers and Buns will be available to buy from the Galley and you cook them yourselves, unless there are any budding Jamie Oliver's out there who fancy cooking!

All tickets will be paid for at registration but we must know numbers in advance for all of the meals and social events. Thank you.
